

# Spanish Enrichment

...after school with Ms. Pezoa

January 8 - May 8, 2018

3:45 pm – 5:00 pm

**Mondays and Tuesdays**

Learn to speak **Spanish** through songs, stories, games and music in a comfortable and fun atmosphere, in an immersion technique, where only Spanish is spoken as much as possible. I will emphasize reading and writing, where students are recording the stories we make up and reading highly comprehensible texts during class. All days will be appropriate for all students because of the nature of the curriculum. You can choose the days that work for you.

\$336 for 2/week: Monday and Tuesday

\$182 for 1/week: Monday OR Tuesday

—Classes are held every Monday and Tuesday that students have school. In case of illness or absence on Ms. Pezoa's part, all efforts will be made to find a substitute. Barring that, a call and email will go home to families so parents know that Spanish is cancelled on that day. In five years, that has maybe happened once!
