Help us Deepen Family & Community Partnership

Learn what DPS is doing to strengthen family and community voice in school and district decision-making!

We will discuss:

- The current work being done to support families and community voice in school and district in decision-making processes
- Resources, tools, and strategies for effective family and community engagement in decision-making

ELA DAC

English Language Acquisition
District Advisory Committee

This year we will be combining the Superintendent Parent Forum with the ELA DAC meetings. If you have an ELA student, we would like to have your voice at the table as an ELA parent.

Feedback Session – Optional

A feedback session will be held from 11:45 a.m. – 12:30 p.m. after the event.

Please join us for this post-forum opportunity to provide feedback about the session.

All are welcome. Light snacks and refreshments will be served!
